

**BARN LIGHT**  
ELECTRIC COMPANY®

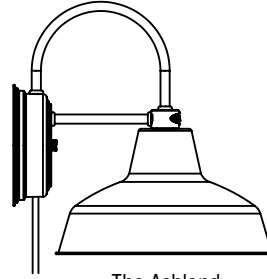

## INSTALLATION INSTRUCTIONS PLUG-IN WALL SCONCE

Thank you for purchasing from Barn Light Electric, America's leading manufacturer of hand-crafted shades and exclusive source for porcelain enamel lighting! For questions or concerns about your purchase, please contact us!

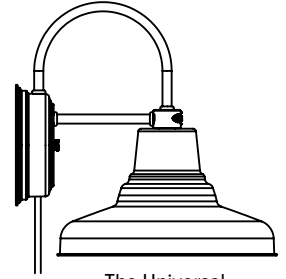

**INS-0053 REV A (HWK-0065)**

### ALTERNATE FIXTURES

These alternative fixtures follow the same installation instructions as the illustration shown below.

The Ashland  
Wall Sconce

The Universal  
Wall Sconce

### IMPORTANT

Read all instructions before assembly. Installation is to be done by a qualified professional.

**CAUTION:** Risk of fire, this product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

### INSTRUCTIONS

**NOTE: Mount light within reach of outlet; use of extension cord is not recommended.**

1. If necessary, temporarily set crossbar (A) against the wall to mark the two hole locations for mounting.
2. If necessary, drill two holes using 1/4" drill bit and insert plastic anchors (B).
3. Mount crossbar (A) to wall with the two screws (C) and plastic anchors (B).
4. Thread nipple (D) into crossbar (A) just a few turns so that it stays in place.
5. Temporarily place fixture (E) against the wall with nipple (D) through the center hole. Adjust length of nipple (D) until only 1/4" protrudes out of the fixture (E).
6. Remove fixture (E). Ensure cord is going through bottom hole of the fixture.
7. Lock nipple (D) in place with nut (F) tight against crossbar (A).
8. Secure fixture to wall using the lock-up cap (G).
