WOOD & SHEEN OPTIONS

Crafted from high quality wood — including Pine, Oak, Walnut, and Hickory — our unique collection of furniture is made by hand in the United States. Due to variations in wood's natural grain and knots, its appearance will differ piece to piece.

A variety of stains and finishes alter the wood's look and feel, letting you create the perfect style for your space. All wood is finished with your choice of a matte or glossy sheen.

METAL FINISHES

Some of our furniture incorporates metal elements, and a diverse selection of powder coat finishes let you custom the piece to your space's needs. All powder coat finishes are applied by hand in our Florida-based manufacturing facility.
