INS-0040 REV A (HWK-0045)

ALTERNATE FIXTURES

These alternative fixtures follow the same installation instructions as the illustration shown below.

The Downtown Minimalist
Adjustable Plug-In Sconce

The Downtown Swing Arm
Plug-In Sconce

IMPORTANT

Read all instructions before assembly. Installation is to be done by a qualified professional.

CAUTION: Risk of fire, this product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.

INSTRUCTIONS

NOTE: Mount light within reach of outlet; use of extension cord is not recommended.

1. Thread both screws (A) all the way into the two holes of the swivel crossbar (B) that align with the two holes in the coverplate (C). **NOTE: Thread screws (A) through in the direction shown in the drawing.**
2. Secure the swivel crossbar (B) to wall with the two mounting screws (D) included. **NOTE: Use plastic anchors (E) if installing in a hollow wall or concrete. Flatplate of swivel crossbar (B) must be flush against wall.**
3. Place fixture (F) over swivel crossbar (B) and install both lock-up nuts (G) onto the protruding machine screws (A). Tighten lock-up nuts (G) until fixture (F) is secure. **NOTE: Guide the cord out through the bottom notch in the coverplate (C).**
