DIMENSIONAL DRAWINGS

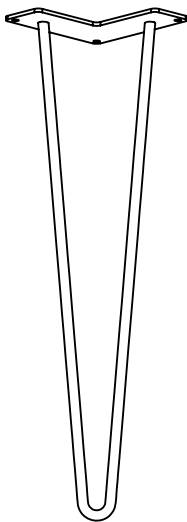

A line drawing of a minimalist desk. The desk is rectangular with a flat top and four legs. On the left side, there is a set of seven pens or pencils arranged in a fan-like pattern. In the center, there is a long, narrow, rectangular object, possibly a pen holder or a small tray. On the right side, there is a laptop computer standing upright on its base. The drawing is simple, using only black outlines on a white background.
