

LED CHAIN HUNG PENDANTS

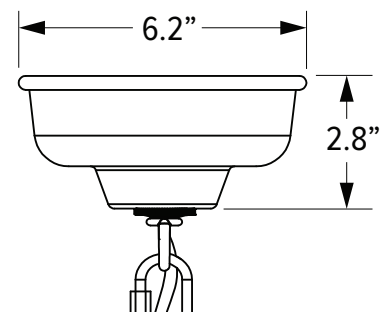

MKT-0013, REV C

With their innate rugged appeal, LED chain mount pendants supply homes and businesses with a contemporary yet still timeless style. Designed with performance and reliability in mind, cutting-edge LED technology is integrated directly into each pendant's structure. To create a unique aesthetic, a cord in your choice of style is weaved through a 4-gauge chain, balancing the industrial feel with a touch of color. When it's time to install the pendant, a Quick Link allows simple on-site adjustments to the chain's length.
